**Washer / Dryer  
Form**

We, the future tenants of \_\_\_\_\_, for the lease term starting \_\_\_\_\_ through \_\_\_\_\_, understand and agree that we take full responsibility and ownership for the washer and dryer being left by the former tenants at the above mentioned address. We understand that by taking responsibility for these items we will be required to move them out of the house/apartment, that they will not be left in the apartment at the end of our lease (unless written permission is given), and that we will not hold Oxford responsible for anything relating to the washer and dryer being left in the apartment.
