

moving out disposal tips

Help keep the University District safe and clean by properly disposing of unwanted items.

1

Take larger furniture to a drop location

Between 7/28 - 8/12, locations will be available for FREE disposal of couches, mattresses, desks and other large items. Visit universitydistrict.org/move.

Place smaller household items in a trash container

DO NOT place large items inside a container unless it's at a designation furniture drop location. Unwanted household items should go inside an available trash container.

2

3

Donate items that are in good, usable condition

Do good and don't just throw away! Household items, clothing, furniture and food can be donated to area non-profits. For a suggested list to donate visit universitydistrict.org/move.
